

Job interviews were conducted with those attending the May 6th Job Fair.

Job Fair Held for GHA Clients

Greensboro Housing Authority (GHA) partnered with XLC Services to hold a job fair open to all GHA clients. The May 6th event was XLC's second orientation and job fair in which applications were completed, interviews done and clients were hired "on the spot" for open positions. Twenty-seven attended the fair.

GHA's Housing Choice Voucher Family Self Sufficiency and Supportive Housing staff collaborated to bring the event to Hampton Homes. GHA staff plan to host other job fairs on a quarterly basis with emphasis placed on various career fields including healthcare, manufacturing, industrial, cosmetology and positions with local temporary agencies.

GHA clients receive help completing on-line job applications at the Hampton Homes Computer Lab.
