

Greensboro Housing Authority to Host COVID-19 Testing at Claremont Courts

UnitedHealthcare, Triad Adult and Pediatric Medicine, Guilford County Emergency Management, Quest Diagnostics, and the North Carolina Department of Health and Human Services (NC DHHS) have partnered to bring the Mobile Unit to underserved communities to increase COVID-19 testing access and capacity in the community and keep Guilford County residents safe.

Testing is available for all high-risk individuals regardless of their insurance status. If the individual has private insurance, Medicaid, or Medicare they should bring their insurance card. The Centers for Disease Control and Prevention has prioritized those at high-risk for severe illness from COVID-19.

Please note that only those who fall into high-risk categories for COVID-19 will be tested. The Centers for Disease Control and Prevention (CDC) has prioritized those at high-risk for severe illness from COVID-19. A person needs to only meet one of the categories below to qualify for testing:

- Must be symptomatic with one of the following: cough, shortness of breath or difficulty breathing, chills, muscle pain, headache, sore throat, new loss of taste or smell or any symptoms suggestive of COVID-19, or
- Close contacts of known positive cases regardless of symptoms, or
- Persons who are at high risk of severe illness (e.g., people over 65 years of age, people of any age with underlying health conditions), or
- Persons who live in or have regular contact with high-risk settings (e.g., long-term care facility, homeless shelter, correctional facility, migrant farmworker camp), or
- Persons who come from historically marginalized populations, or
- Front-line and essential workers (grocery store clerks, gas station attendants, etc.) in settings where social distancing is difficult to maintain
